North Durham Minor Hockey Newsletter

North Durham Players and Hockey Families,
We are planning for a return to Hockey in September!
We are working hard to plan for the 2021-2022 season.
The goal is for a return to a traditional season starting with some pre-season development, followed by Representative Team Tryouts and then a return to House League Programming. Different governing bodies have different rules about when development skates, tryouts and regular season will begin.

Key Dates:

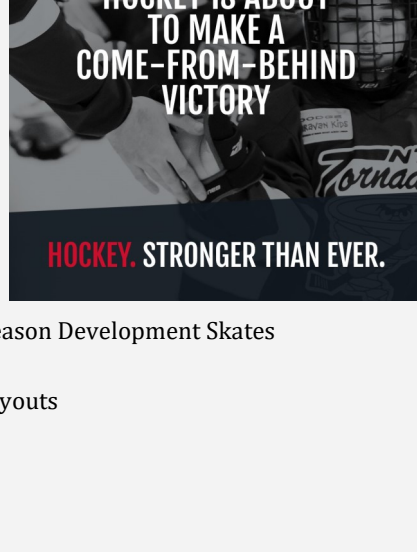

Starting Sept 7—Blades U13, U15 & U18 Tryouts Begin
Sept 7-Sept 16—Warriors U8-U18 & Blades U9-U11 Pre-season Development Skates
Sept 17-Sept 23—Warriors U12-U18 AA Tryouts
Sept 20-26—Warriors U8 MD-U11 AA & Blades U9-U11 Tryouts
Sept 24-30—Warriors U12-U18 A & AE Tryouts
Sept 27-Oct 1—Warriors U9-U12 A & AE Tryouts
Oct 12—House League programming begins
Tryout dates will be posted shortly

We have confirmed that ice will be ready in Scugog for Aug 30 and in Uxbridge on Sept 21, which works great for our needs and getting our programs started. Our facilities are working through the required protocols for Step 3 and we are all hopeful for Stage 4. At this time, there are still some restrictions to the numbers in the facilities and on the ice as well as spectators, but nothing as restrictive as last season and we are happy to be able to ice full teams this year. We will communicate all of the important information closer to the start of the season to make sure it is up to date at that time.

Warriors Registration is now open, and the quicker you register, the easier it will be for us to plan ice and bench staff for teams. As always, we need volunteers! Please read through the entire newsletter to be up to date on all of the latest information, including opportunities to get involved and changes to HCR 3.0 Registration.

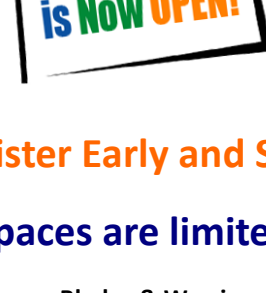

We are looking forward to the upcoming season and seeing you all at hockey again soon!

Warriors Season Registration Information

All players need to register in the new HCR 3.0 for the upcoming season and pay the above fees. You have the option of paying in full at the time of registration or paying 50% at registration, 30% on Sept 15 and the remaining 20% on Oct 15. If you select to split the payments, your credit card will automatically be billed for the future payments on those dates.

If you have a credit from the 20-21 season, it will be showing in HCR 3.0 and you will be able to take the credit during registration. If you have outstanding fees from the previous season(s) they will be added to your current registration. You will not be able to register without paying the outstanding fees as well.

As HCR 3.0 is a new system for everyone this year, you will need to create a new user account. All of the players are in HCR 3.0 and you will add participants to your profile.

If your player is brand new to hockey, you will need to contact the North Durham Registrar to set up a new player profile NorthDurhamRegistrar@gmail.com
