QUIZ TIME

Ever wonder how well you would do as a referee? Want to brush up on your knowledge of the rules?

Take these practice quizzes to prepare for your annual Membership Recertification Clinic, or to just test your rules knowledge throughout the season.

The BASIC quiz contains questions suitable for officials with less than five years experiences, while the ADVANCED quiz is suitable for officials who have 5+ years experience, or are Level 3 or higher.

Note: You can attempt either quiz no matter what your experience or HCOP Level. These quizzes are for practice and do not count towards any Referee certification. You can take the quiz without selecting a level or HCOP number.
