

# LAKESHORE HL U11/U10 2020-21 PLAYDOWNS

# OBJECTIVES

In conjunction with the U11/U10 Pathway...

- Define and categorize Leagues
- Connect league play to Championships
- Create meaningful competition (like skill playing like skill)
- Align with optimal seasonal structure within player pathway
  - Minimize travel
  - Extend length of season
  - Eliminate the need for team category appeals as regular league standings determine placement of team for playdowns

# SEASON STRUCTURE

**REGULAR SEASON PLAY**

**TIERED LEAGUE CHAMPIONSHIP  
(IF REQUIRED)**

**TIERED REGIONAL CHAMPIONSHIP**

# START OF THE SEASON

- Sort Leagues within Districts: Eastern, Central, Western
- Assign a “category” AA, A, Tier 1, Tier 2, Tier 3 to each team using the reference on the following page
- Based on the “categories” participating in each League assign a “League Assessment”, i.e. if the majority of teams participating in the League are Tier 1 and Tier 2, the “League Assessment” is Tier 1/2
- Using the total number of teams participating in the “category” within the District, calculate the percentage of teams that will advance to the Regional Championship weekend for each “category” and assign a numerical value based on that percentage

# TIERING “CATEGORIES”

AA	A	TIER 1	TIER 2	TIER 3
AA	A	AE 1 AE 2 BB B	CC C DD	AE 3 AE 4 AE 5

# REGIONAL CHAMPIONSHIP

- Tournament weekend, one per each “category”: AA, A, Tier 1, Tier 2, Tier 3
- Tournament size will be dependent on the number of Leagues within each Tier and the number of teams in total. In general, the following will apply...
  - Leagues with 25 or less total teams will advance six (6) teams to the tournament weekend
  - Leagues with more than 25 total teams will advance twelve (12) teams to the tournament weekend
