Big Brothers Big Sisters
of North Durham Region

IN SUPPORT OF

SickKids

Pediatric Acute Care Team

TYLER was a fun loving and active 12 year old boy who enjoyed sports, friends, humour and animals. He played Rep. hockey in Port Perry from the age of 6 until he passed away as the result of a tragic accident on Sept.21, 2015. TYLER LOVED HELPING OTHERS, whether it was to welcome a newcomer to his team, class, circle of friends or just to share what he had. It is in that spirit of giving that the Hanson Family in partnership with the members of the KICKS Fund and Big Brother, Big Sisters North Durham will be hosting the 3rd annual Street Hockey Event with all proceeds being divided equally between the Sick Kids Hospital PACT Unit and BBBS North Durham.
